“Start Up Funding: A Medical Device Company’s Story”

The Southern New England Entrepreneurs Forum (SNEEF) will hold its September 25th meeting at the Advanced Technology and Manufacturing Center (ATMC) in Fall River with a focus on start-up funding, particularly in the medical device industry. A panel of industry experts led by Robert Creeden of Partner’s Healthcare and Tom Sommers of Mass Medic will examine the business plan of a medical device company. Joe Lawler of DocuTemp will present his business plan, which will be reviewed by the panel. An open discussion of this working business plan will follow.

SNEEF is dedicated to fostering entrepreneurship through presentations and networking. The meeting will start with a networking session with a light dinner at 5:30 – 6:30 p.m. followed by company presentation, panel discussion and question and answer session. The meeting will conclude at 8:00 p.m. The cost of the program is \$20 with advanced registration and \$25 at the door. SNEEF is sponsored by Rockland Trust and is presenting this meeting in concert with MassMedic. Reservations may be made on line at www.sneef.umassd.edu or by calling the Program Coordinator, Joanne Randall, at 508-910-9823 or jrandall@umassd.edu. For more information see www.sneef.umassd.edu
